Director of Missions

(Ben Hall)

As we come to the end of 1995-96 Associational year, there is still excitement of the possibilities for continual work in the association.

About midway through the year we lost our CCM director and Office Secretary. Since July, Mrs. Linda Whittington has been working as our secretary. She and her husband, Dale, are active members of Blackwood Chapel.

We were able to get a new look at ourselves from the perspective of the church and association as we had a listening team from the Baptist State Convention with us in late October. This also served as a launching place for our strategy planning for the association. Each pastor/church which participated in the process shared valuable materials in the process which was also used by the strategy planning.

Early in the year we had our retreat for the Strategy Planning team. After spending two days at Camp Caraway, we returned with enthusiasm, full of ideas and plans for the future of the Association. Those who went worked well together as we planned. These plans were finalized, and are being presented to the association at this annual meeting.

At this time several of our churches are without pastors: Candor, Center, Stoney Fork and Valley View are under the leadership of Interim Pastors. Forks of Little River called Rev. Curtis Blake as pastor. He is no stranger to our association having served Exway and Dover as pastor.

I believe that the future of the association looks bright as churches become involved in the ministry of the association, become a part of the ministry we offer.

As we look toward to the year 2000, let's make missions our goal through the local church and association.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in mission.

The men of our Association have been involved in (4) areas of mission work in 1996.

(1) NORTH KOREAN HUNGER RELIEF: The Montgomery Association has sent (9) boxes ($50 each) of food through the Brotherhood Commission this spring. Mt. Carmel (3), Forks of Little River (3), Eldorado (2), Stoney Fork (1), and Troy First Baptist WMU sent money. The need is still there, and in September, Stoney Fork and Mt. Carmel sent money to help meet the needs for food in North Korea, as a witness to God's love for all people.

(2) RAMPS: A total of (4) new ramps were built in the Troy and Wadeville areas.

(3) PRINCE OF PEACE BAPTIST MISSION: Repair work was accomplished on part of the roof, and the garage was inclosed to make a Sunday School room.

(4) DISASTER RELIEF: Gene Singleton of Forks of Little River, spent three days at Topsail Island with the District 6 team, giving hope and food to thousands of N.C. coast residents devastated by hurricane Bertha. In September, hurricane Fran sent the North Carolina Baptist Men's disaster relief volunteers on the road again. Gene Singleton spent Saturday, September 14th in Wake Forest on tree clean up, and again on Saturday,

September 21st, along with Frenchie Pion, and Tim Dunn of Forks of Little River at Smithfield on tree clean up.

NEW BAPTIST MEN'S UNIT: A new Baptist Men's unit was started at Tabernacle Baptist Church in Troy.

WMU Report

(Delores Hicks)

The 1995-96 WMU Emphasis, "Risk the Journey," gave us a lot to think about and learn, as there were a lot of changes.

Woman's Missionary Union during 1995-96 was a vehicle in Southern Baptist churches to lead people on a faith journey and challenged them to:

1. Know with certainty the unchanging God of creation and salvation.
2. Understand the unlimited opportunities for personal involvement in God's continuing redemptive work in the world.
3. Discover the individual responsibility of the Great Commission and the resulting joy from accepting its challenge.
4. Recognize that God has both a plan and a time for His work in the world and invites us to be a part of this plan.
5. Realize the urgency of entering doors of opportunity currently open locally and globally.
6. Move beyond a verbal commitment to the Great Commission to an active role in fulfilling it.

Your WMU Leadership Team, (WMU Director, Delores Hicks; WMU Assistant Director, and Mission Action/Personal Witnessing Consultant, Shirley Hall; Women on Mission Consultant, Phyllis Parks; Acteens Consultant, Kathy Garner; GA's Consultant, Shirley Murdock; Mission Friends Consultant, Lynn Griffin; and Secretary/Treasurer, Jean Cranford.) worked daily to fulfill and implement these objectives. We were involved in many activities during the year:

NOVEMBER: A part of the Team was involved in teaching the Foreign Missions Study.

DECEMBER: The annual "Christmas Pounding" was sponsored by the Associational WMU Leadership Team, and was headed by Shirley Hall. This was a great success. We had 16 churches to participate and thus we were able to give out 49 large boxes of food along with some toys.

FEBRUARY: The Leadership Team spoke in several churches about WMU during the WMU Focus Week.

MARCH: The State WMU Annual Meeting was held at Ridgecrest. We had eight ladies who attended, of which five were Team members. One member, Erma Robledo, Prince of Peace Mission, led one of the conferences in Spanish.

APRIL: Our Associational WMU Annual Meeting was held on April 25th at Troy First Baptist. We had a good turnout with a number of our churches represented. Our guest speakers were Chris Bryant, Rockingham, who spoke on AIDS/HIV, and Patricia Frazier, Piedmont Association, who did a monologue of Miss Fannie Hech. Both were very interesting and informative.

MAY: The WMU Director, along with other Key Leaders from our Association, attended the Key Leadership Training at Caswell.

JUNE: Shirley and Ben Hall attended the State/Associational Leadership Training at Camp Mundo Vista.

JULY: The remainder of the Leadership Team attended the State Leadership Training at Caraway.

AUGUST: Some of the Leadership Team participated in the VBS at Samarkand. The WMU from eight churches assisted with furnishing refreshments.

SEPTEMBER: The Associational Leadership Training was held at Troy First Baptist. There were 11 churches represented with 34 in attendance. Dianne Sutphin was our guest speaker. She spoke about the need of volunteers in our schools.

The WMU from 12 churches helped sponsor the Birthday Parties at Samarkand each month with great success.

Some of our churches are still working at the Sharing Place.

During the year our National Ministry Project was HELP: Aids. The WMU members were asked to "join the risk" through this project. This national project focuses on creating awareness of the problem of HIV/AIDS in our world, and educating people with AIDS (PWAs) and their families. Our Associational WMU was able to help by collecting items (Personal items that we take for granted) to give to the HIV Center in Rockingham.

Senior Adults

(Lee and Penny Church)

The Senior Citizens met one time this year, on April 27th at Tabernacle Baptist Church in Troy, for a time of food, fun and fellowship. The theme of the occasion was "The Good Ole Days." There were several of our churches represented, with over one hundred in attendance, including the youth from Tabernacle, who led the entertainment for the night.

Evangelism

(Alex Willoughby)

In the fourth chapter of II Timothy, Paul, the apostle, admonished Timothy to do the work of an evangelist. Evangelism has long been understood as the key to winning souls and growing churches. Your Association, in cooperation with State Convention, continues to offer opportunities for encouraging evangelism in the local church and association.

The Evangelism Conference, that was to be held in February, was canceled due to bad weather. This year, we are hoping that the Conference will be on schedule, and that every church in the Association will be represented at this years conference.

We hope to be doing more in the area of evangelism this year in our Association. We want all our churches to be on the look out for the exciting activities that we are going to try to bring before our Association.

Remember, the church that grows is the church that exalts the Savior, equips the Saint, and evangelizes the Sinner. When you leave your churches each service, remember you are going into the mission field.

Discipleship Training

(Raleigh Castelloe)

of the greatest needs of most churches is to help those in the Christian fellowship grow in discipleship. To be a disciple is to learn from our Lord Jesus Christ how we can best serve Him. The goal of the associational Discipleship Training organization is to help the churches of the Montgomery Baptist Association develop those discipleship strategies that will best enable them to assist their members in discipleship growth.

At the present time six of our churches report ongoing Discipleship Training programs, and four churches report short-term discipleship studies. There are probably other churches which conduct short-term projects during the year, but do not report them. We still need to remember that these short-term projects are vitally important training tools. They should be reported in our annual church statistics.

Each church in the Association is encouraged to study its discipleship needs and employ those training methods which best meet those needs. No two churches will need exactly the same plan. Whatever combination of ongoing short-term studies and projects enables the church to accomplish its mission should be the plan the church uses.

It is hoped that the churches of the Association will experience increased participation in their discipleship programs during the 1996-97 church year.

Deacons

(Sam Beasley)

With God's help, our pastors and all of us as deacons can work together as a team to learn the do's and don'ts of being a deacon or deaconess, serving our churches better now and in the future. Whether our church is large or small, we all can see changes on the horizon. We need to be bold in faith, (I Timothy 3:13) - strong, effective, and use the office of deacon in the right way, for the right purpose.

Do's - Grow through our God given privilege of prayer. Give evidence of loving our churches and lead others to love it also.

Don'ts - Destroy the confidence of others who trust you. Fail to live up to the good name of deacon among fellow church members.

I look forward to working with all of you and your churches this coming year. Let us pray for one another and our churches.

Sunday School Report

(Billy Dennis)

While some churches have experienced positive growth in Sunday School this past year, there is still much more that we can do to facilitate growth in the Sunday Schools of our Association. The ASSISTeam is just one resource available to our churches at no cost. The team is made up of trained, caring and knowledgeable individuals who can help your Sunday School on every age level. To find out more, contact the Associational Office.

Due to the ice storm in February, our training was cancelled this year, so we were unable to hold an Associational Training School. Beginning in 1997, our training will be held in the Spring, as to avoid this situation from happening again.

The highlight of the year was a Sunday School Tour that made a stop here on April 14, 1996. Experts from the Baptist Sunday School Board in Nashville, and the State Sunday School Division in Cary, led a workshop that was attended by 28 people, representing 10 churches.

Another resource that you need to know about is available through the state Sunday School Division. Sunday School Revivals are becoming very popular across our state. Their purpose is to help churches understand the principles and to develop a plan for growth through the Sunday School. For more information about Sunday School Revivals, contact Phil Stone at 1-800-395-5102, extension 227.

Thank you for all you do to Carry the Light to a dark and lost world!

Prince of Peace Baptist Mission

(Ernesto Robledo)

The Work at the Hispanic Mission continues growing. During August 1-4, we had our revival with a total of twenty-four (24) decisions. On September first, we celebrated our baptismal service at Biscoe First Baptist, where seven (7) persons were baptized. We had an attendance of fifty (50) at the service.

Our membership has increased from eighteen (18) to twenty-eight (28). On September 29th, three (3) more persons became members by statement. The garage has almost been completely remodeled and is now being used as a Sunday School room.

The youth group has grown from ten (10) to twenty (20) in Sunday School. Our Worship attendance has increased from fifty (50) to eighty-five (85). On May 11th, we started a visitation program once a month, with an average attendance of six (6).

Ten (10) of our members are taking a seminary extension class at the Hispanic Baptist Mission in Sanford. We are excited, as we hope to develop a stronger leadership for the mission.

I thank God for my wife and all the support that she has given me. She started organizing the WMU group and they are meeting once a month.

On October 8th, we were able to replace the carpet in the church building and a bedroom in our apartment. Replacing the carpet was no easy job and I am grateful to our congregation. Several of the men and youth were very helpful as they pulled out the old carpet and did most of the scraping of the floor.

We would like to express a word of appreciation to all the churches that helped to make this possible with your donations out of the kindness of your hearts.

We realize that we have a lot more to do for our Lord. Please keep us in your prayers, as the growth and excitement continues at the Hispanic Mission.

Baptist Children's Homes of North Carolina - 1996

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville June 26 when Michael Owen jogged into view - carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route.

The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider.

It could have been a family reunion, or a school scene, or a recreation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them.

And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving.

"Go ahead, call someone," he yelled. "Leave."

Michael left. After six months in emergency care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions

mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through Baptist Children's Homes of North Carolina.

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amazements were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

President since 1983

1996 Baptist College/University Report

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in North Carolina.

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc., in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of

the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were long-time, active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

Making Life for Older Adults...

The Best of Times

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrue Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court," will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27-acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living,

and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults. . . . **The Best of Times!**

1996 Biblical Recorder

The headlines each day–Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc.–often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The Biblical Recorder attempts to tell the whole story–the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs make CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: *The Biblical Recorder*, 232 West Millbrook Road, Raleigh, NC 27609.

Christian Action League of North Carolina, Inc.
1996 Annual Report To The Associations

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track." When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. ***Christian Values***. The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the state-wide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11x14 prints have been distributed throughout the state to individuals and churches.

B. ***Lottery.*** We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 606 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. ***Sex Education.*** CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. ***Homosexuality.*** CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. ***Abortion.*** The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. ***Alcohol.*** CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allows us to be on the front lines in this spiritual warfare.

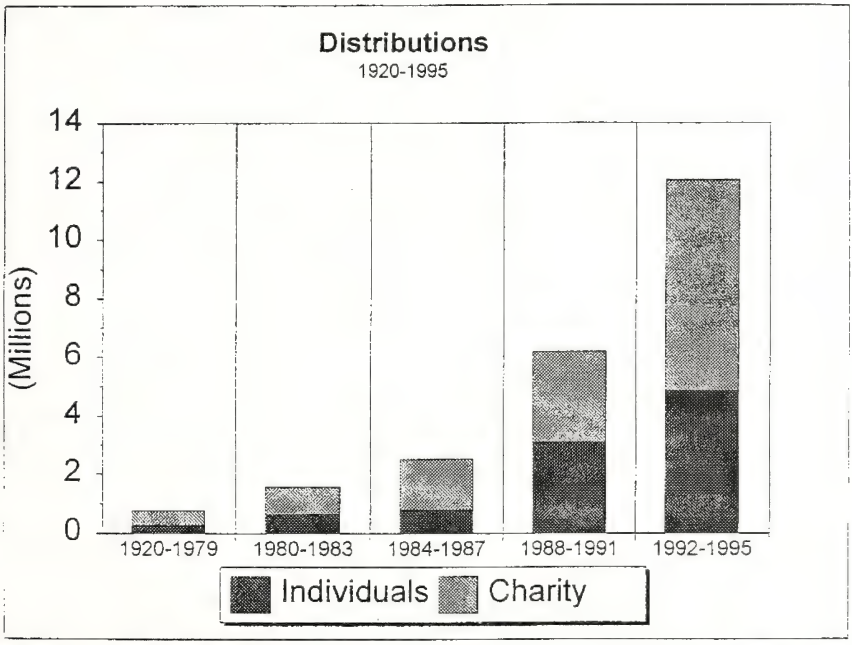
NORTH CAROLINA BAPTIST FOUNDATION, INC.
1995 ANNUAL REPORT



The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the N.C. Baptist Foundation totals: $9,673,682 income paid to individuals and $13,458,579 to Baptist churches, institutions and mission causes for a grand historical total of $23,132,261.

1995 Annual Report Summary/Highlights

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is $42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

Chaplaincy Ministries–The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

Church Loans–The Church Loans Division closed 98 church loans totaling $25 million, including $3.4 million of refinancing.

Associational Administrative Service–In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

Language Missions–Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian tribes, using 106 languages and dialects, in addition to sign language.

Volunteers–Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

Prayer and Spiritual Awakening–The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

Mass Evangelism–This department assisted in implementing the *Here's Hope. Jesus Cares For You.* Harvest Revivals. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

Alternatives to Abortion Ministries–As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.

HOSPITAL HIGHLIGHTS FOR 1996

DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts.

As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship **-** The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis **-** This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North carolina **-** QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network **-** RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging **-** The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

Highlights from the FOREIGN MISSION BOARD

FALL 1996

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergrid the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: $89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways.

Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

Director of Missions Report

(Ben Hall)

This has been a year of change and often confusion for the work in the Southern Baptist Convention. Its effect is still to be seen in the association. New names, such as the North American Mission Board and the International Mission Board, have been given to our home and foreign work. The work is still the same.

We have seen a change in the church year. Our fall quarter begins in September. In another year, the association year will begin in September, as it will with many of the churches. We come to the end of the associational year with activities going as usual. Although we have had some good experiences, still we have other goals to reach. For this to happen there must be a pulling together as churches and association work together.

We need to look at our strategy and seek to develop more of the plans therein. We are asking the churches to give 5% of their undesignated offerings toward the support of the association. Many are doing this, while others are only giving a small percentage. All need to help carry the load.

At this time, we have several of our churches without pastors. They are Candor, Dover, Laurel Hill, Mt. Gilead First, Star First, and White Crest. Continue to pray for these churches, that God will lead them to the man He has for them.

May we as an association continue to follow God's will that we may be missions, do missions, and seek to reach our community for Christ.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

Our men have been involved in several mission projects in 1997.

Ramps: A total of two (2) new ramps were built in the Troy area.

Prince of Peace Baptist Mission: The new Sunday School Room was painted and finished inside, and the outside had vinyl siding installed. Work was accomplished on the back entrance area. Work was done on the upstairs apartment, and the wall was closed in where the air conditioning unit was removed. The old kitchen ceiling tiles were removed and replaced with new ones.

Disaster Relief: Hurricane Fran sent the North Carolina Baptist Men's Disaster Relief Volunteers on the road again. Gene Singleton, Frenchie Pion and Tim Dunn worked in the Wake Forest and Smithfield area on clean up.

WMU

(Delores Hicks)

The 1996-97 emphasis, ***Hand in Hand,*** shows God's hand at work today in our world, tearing down barriers of race, culture, ignorance, and apathy. We see God's hand making a difference in us. We see God's hand making a difference through us.

In 1996-97 WMU worked hard to lead individuals in the church to join hands with God and others to make a difference by:

1. Learning about God, growing spiritually, and becoming involved in His work.
2. Choosing ways and times to be involved in missions, as led by the Holy Spirit.
3. Recognizing the diversity of peoples, churches, cultures, and traditions, while practicing Christlike inclusiveness.
4. Building and experiencing community in the church that enables one to minister and witness to others.
5. Recognize women's unique ability and responsibility to minister to other women, locally and globally.
6. Expanding the awareness of child advocacy issues and becoming an advocate for preschoolers, children, and youth.

WE, your WMU Leadership Team (WMU Director, Delores Hicks; Assistant Director, Phyllis Parks; Women on Missions Consultant, Debbie Davis; Acteens Consultant, Teresa Sampler; GA's Consultant and Mission Involvement Consultant, Shirley Hall; Missions Friends Consultant, Lynn Griffin; Ethnic Language Consultant, Irma Robledo; Secretary/Treasurer, Jean Cranford), were faithful in working to implement these objectives. Some of the activities that we were involved in were:

NOVEMBER: Part of the team was involved in teaching the Foreign Mission Study. We conducted a Woman's Day of Prayer Service at First Baptist Church, Biscoe.

DECEMBER: The annual "Christmas Pounding" was sponsored by the WMU leadership team, and was headed by Shirley Hall. Again this year, we had a great success. There were 16 churches who participated and we are able to give out 29 boxes of food and some toys.

JANUARY: At this time we kicked off the National Project Help Child Advocacy. Many of our WMU leaders helped out at the schools, day cares, and churches; helping, tutoring, listening to readers, and just being there for our children.

FEBRUARY: Some of the Leadership Team spoke at our churches during WMU Focus Week.

MARCH: Women On Missions held a missions study at New Hope Baptist Church. The Leadership Team, with the exception of two, attended the NCWMU Annual Meeting at Ridgecrest, along with eight others from our Association.

APRIL: Our Associational WMU Annual Meeting was held on April 24 at Troy First Baptist. The attendance was not as good as in previous years, however we were rewarded by our wonderful guests. First, we had Ms. Lucy Baily, from our school district, SOS (Save our Students) Program coordinator, along with some of the students who had benefited. They were great. Then, we had Chaplain Todd Kitchen, Samarkand Youth Center, who spoke on the mission work being done by our Association at Samarkand, which includes the VBS and the Birthday Parties sponsored by the WMU.

MAY: The WMU Director, Assistant WMU Director, along with other Key Leaders from our Association, attended Key Leadership Training at Caswell.

JUNE: Shirley and Ben Hall attended the State/Associational Leadership Training at Camp Mundo Vista.

JULY: The remainder of the Leadership Team attended the State/Associational Leadership Training at Caraway.

AUGUST: Some of the Leadership Team church WMU participated in the VBS at Samarkand. The majority of the churches in our Association helped by furnishing drinks for the refreshments.

SEPTEMBER: We had the Associational Leadership Training at Candor Baptist Church on Saturday, the 20th. The turnout was low, but those in attendance learned many things.

The WMU from 12 churches continue to sponsor Birthday Parties each month for the residents at Samarkand.

Some of our churches continue to work as volunteers at the Sharing Place.

The National Project for 1996-97 was ***Project Help Advocacy,*** and the WMU members were asked to assist by helping the preschoolers, children, and youth. We were able to do so by assisting at the schools with the reading program, and working with the two middle schools in the SOS program, afterschool and by furnishing refreshments.

Youth

(Billy Dennis)

The highlight of the year was the WITNESS concert on June 24th. The folks at Troy First were once again gracious hosts. There were 150 people, representing several of our churches, who came out for this inspirational evening which included singing, testimonies, and decisions for Christ. After the service, the youth joined WITNESS for a pizza fellowship.

It should be further noted that 10 youth from our Association attended Summer Camp at Caraway and Mundo Vista last Summer. Several youth groups from our churches attended Super Summer at Paramount's Carawinds, and several churches had ongoing Youth Ministry that has included Bible Studies, Choirs, Mission Projects, and Fellowship Activities.

In the coming months, all churches will be invited to take part in the ***True Love Waits*** Campaign that will culminate with a Youth Rally at the School Campuses on Valentine's Day. Each church is asked to please notify the Associational Office of the name of a Youth Contact Person from your church, so that we may begin to make plans for the coming year's ministry.

Sunday School

(Dale Whittington)

During March of this year, we planned three Sunday School "Get Together" for the three geographical church groups of our Association. The events were held at Candor Baptist, Blackwood Chapel, and Troy First Baptist. Good food and fellowship were enjoyed as we tried to determine together areas of need and resources available for the enrichment and upbuilding of our Sunday Schools. Altogether, fourteen churches participated and two of them, Prince of Peace and Stoney Fork requested further assistance with the training of their Sunday School personnel.

In April, our Association Assist Team went to Cary for two days of Sunday School Training. We found out that our name had been changed to ACTeam. The phrase ACTeam is an acronym for Associational Consultant Team. The purpose of our team is to organize and train, provide approaches and resources that enable our Association to carry out the mission of our Bible Teaching-Reaching Ministry–which is to teach people about Jesus. Our ministry is to enable congregations to start, develop, and strengthen the Bible Teaching-Reaching ministries of their churches. The members of our team are: Frances Culbertson, Preschool; Billy Dennis, Children; Linda Whittington, Youth; and Raleigh Castelloe, Adult. Our ACTeam receives continuous training and updating from the Baptist Sunday School Board and State Sunday School Departments. Content for training include equipping ACTeam consultants in the areas of communication, planning, consulting skills, conference leading, and personal spiritual growth. Your ACTeam is interested in furthering Christ's Kingdom through the associational ministry and would be delighted to assist anyone on an individual or group basis.

This has been a year of considerable change. Beginning in June, the BSSB changed the order of its dated periodicals. Our new cycles are seasonal: fall (September-November), winter (December-February), spring (March-May), and summer (June-August). Let's not be afraid or reluctant to change our methods, as we seek to build our Lord's Kingdom, as we follow Christ's example, and *"carry the light"* to a lost and dying world.

Evangelism

(Alex Willoughby)

In the area of Evangelism this year, we had in the Association a *One Day Soul Winning Workshop*. The event was held at Tabernacle Baptist Church in Troy on Satruday, March 8. Dr. W. Wray Wheeless lead us through this wonderful adventure. Six of our churches were represented: Blackwood Chapel, Candor, Hamer Creek, Mt. Carmel, Stoney Fork, and Tabernacle. There were twenty-two (22) people registered including the Director of Missions.

Evangelism should be the heartbeat of every church in our Association. This is the very reason that our Lord Jesus Christ came into the world. *"For the Son of Man is come to seek and to save that which was lost."* Luke 19:10

VBS

(Dale Whittington)

Seven (7) people represented Montgomery Baptist Association for State Convention VBS Training during March at Green Street Baptist in High Point. They were Ben Hall, Dale Whittington, Alex Willoughby, Raleigh Todd, Linda Whittington, Frances Culbertson, and Mozelle Hicks. The training received during that seminar was put to good use at the VBS Clinic planned by our Association for May 12 at Troy First Baptist. The theme this year was "The Wild and Wonderful Good News Stampede, Telling Others About Jesus." We also offered a class for "Adventure Zone, Bible Heroes," an alternative literature produced by the Baptist Sunday School Board. It was very disappointing that no one showed up for some of our classes and only eight (8) churches were represented by the thirty (30) individuals who attended.

Only fifteen (15) of our churches have sent VBS reports to the Associational office, indicating that a VBS was held this summer. This is a very sad testimony for us as an association of churches-not to utilize VBS as one of the best and most effective outreach programs available to our churches in reaching the lost in our communities.

This is the fifth year that Montgomery Baptist Association has sponsored a VBS at Samarkand Manor Training School, a state facility for youthful offenders located off Highway 211 near Eagle Springs. Twenty-two (22) individuals from ten (10) of our churches taught a total of one hundred thirty (130) young people and seven (7) decisions were made for Christ. Everyone involved received a blessing that defies description. God will continue to bless our efforts as we humbly seek to do His will as best we can.

Deacons

(Sam Beasley)

Another year has come and gone, and it is time for all of us deacons and deaconesses to give an account of what we have accomplished this past year with the Lord's help in our home churches. Have we helped lead our churches in prayer, visitation, and in all around Christian work of the churches? When we all stand before the great white throne, this will be the true report for each of us. Working with our pastors and praying for our brothers and sisters in our own churches and other churches, should always be a top priority of us as deacons. As Christians, we are all united as one large family to work together until the return of Jesus Christ. This should be our goal for now and in the future.

Discipleship Training

(Raleigh Castelloe)

Growing in discipleship should be the goal of every Christian. One of the goals of every church should be to help its members grow in discipleship. The goal of the Discipleship Training organization of the Montgomery Baptist Association is to help churches develop strategies and programs to help their members become better disciples of our Lord Jesus Christ.

At the present time five of our churches report ongoing Discipleship Training programs. Four additional churches report short-term training program. There may be others who conduct short-term training events because every church has to provide training of some kind in order to have qualified persons as officers and teachers in the church program. Churches are encouraged to report their training efforts in order for the association to have better awareness of the training needs they are experiencing.

The Discipleship Training organization of the Montgomery Baptist Association encourages each church in the association to carefully plan for its training needs and develop that plan which best meets its needs. The Associational Discipleship Training Director is available to help in enlisting consultants and leading conferences.

The Lord has continued to bless the work at the Hispanic Mission during 1997. As the Hispanic population increases, we seek different ways to meet their needs. We have had the opportunity to share the gospel in every possible situation. We have continued with our weekly visitation program and once a month for the church members.

Our discipleship has grown stronger this year, as we have disciplined new Christians by couples. At the beginning of the year, we started celebrating the Lord's Supper on a quarterly basis as a Church.

In May of this year, God answered our prayer for our need of a better van. We were able to sell both the used vans and bought a better one with the help of the Association.

With the generous help of brother Church Scott, a church member from Sandhills Association, the entire air condition system has been remodeled. Two units were installed, one for the sanctuary and a separate one for the parsonage. We praise God for brother Scott and his donation of time, labor, and materials.

On June 29, 1997, we celebrated our 10th anniversary with a special service. John Jones was our special guest speaker and approximately 140 attended our service. On September 28, 1997, we had a baptismal service at First Baptist Biscoe where three were baptized.

Continue praying for the Hispanic Mission, as we face a great challenge to proclaim the gospel to every person and to grow a stronger church. Also pray for my wife as she continues organizing the WMU in their monthly meetings.

Senior Adults

(Lee and Penny Church)

The Senior Adults met on August 2, 1997, at Tabernacle Baptist Church in Troy, for a "Country Supper." There were over 90 people in attendance. We enjoyed a country meal of pinto beans, collard greens, chicken casserole, cornbread and many other items. Several churches helped prepare the food and everyone enjoyed it. The entertainment was provided by Tabernacle Youth. We appreciate all the help that made this event a great success.

*Figures from the 1997 ACP

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding.

Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but everyone tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

As four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Huber M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

The *Biblical Recorder* Associational Report - 1997

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The *Biblical Recorder* tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the *Recorder* more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The *Biblical Recorder* should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Divinity School Celebrates First Year

Responding to a larger than expected number of applications, the Campbell University Divinity School opened with the 1996 Fall Semester, a year ahead of the original plan to open in the fall of 1997. Currently, 46 students are taking classes and will be joined by 20-30 more in the fall as Founding Students. These students represent 17 colleges and universities.

First Year Highlights

- ***Convocation and Commissioning Service*** - Roy Smith, Executive Director of the Baptist State Convention, spoke to a large crowd of students, family members, and Divinity School supporters as the first students were commissioned.
- ***Baptist Heritage Lectures*** - Dr. Robert Culpepper was guest teacher for the Divinity School's first annual Baptist Heritage Lectures. Dr. Culpepper led us in an in-depth study of the priesthood of the believer.
- ***Worship Leadership*** - We led the University in worship during the campus-wide Cultural Enrichment Program. In the fall, the University was introduced to the Divinity School with drama, music, and testimony by Divinity School students. This spring, we led in a dramatic presentation of the Easter story.
- ***Baptist State Convention*** - The Baptist Heritage Class attended the State Convention in Greensboro. A highlight was the opportunity to share with North Carolina Baptists the story of our school and our students.
- ***Spiritual Formation Groups*** - In the fall semester all Divinity School students participated in groups to bring focus and clarity to God's call and the individual responsibility in response to that call. During the spring semester, we have experienced hands-on training in baptism, music leadership, serving the Lord's Supper, and many other ministry-related tasks and functions.

- ***Divinity School Chapel*** - Held each Tuesday at 11:00 A.M., the Divinity School Chapel services have been inspiring and challenging for students and faculty. From the *Lessons and Carols* at Christmas time to student-planned and led services, the chapel times have been a high point each week.
- ***Lunch-time Seminars*** - We have brought our sandwiches on several occasions and enjoyed fellowship and another opportunity to learn. For example, Janice Haywood, Children's Consultant with the Baptist State Convention, spoke in chapel and continued through lunch as students asked questions, shared experiences, and sought advice. Rev. Tyanna and Rev. Greg Day told about their ministries. Other seminars have included *Tax Tips for Ministers* and *Effectiveness as a Divinity School Student*, led by our classmates.
- ***Proclaiming the Vision*** - A student-initiated, student-led day of preaching, drama, testimony, and music. This was a wonderful time for us to express our gifts and share our stories in a warm, affirming atmosphere.
- ***Book-signing*** - We had a party to celebrate the publication of *The Church Administration Handook*, edited by our Associate Dean, Dr. Bruce Powers. The dedication in the book is to the Founding Students of the Campbell Divinity School, so we all signed each person's book as a reminder of a very special first year.
- ***Renewal Services*** - Rev. Jan and Dr. Tony Cartledge of Woodhaven Baptist Church led renewal services during Holy Week for the Divinity School. These special services provided an opportunity for reflection and meditation for the Divinity School family and many guests.
- ***Celebration of Gifts*** - We rejoiced as supporters gathered for a dinner to celebrate 89 scholarship funds that have been established to help students and an initial gift of $100,000 to begin a chapel fund.

Christian Action League of North Carolina, Inc.

ANNUAL REPORT TO THE ASSOCIATIONS 1997

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-to 15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends $39 billion a year on police protection, $29 billion on prisons and $10 billion on legal and judicial costs for criminal cases; drunk drivers cost us $110 billion a year, and drug abuse costs $40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. *Christian Values*

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.
- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.
- Presented copies of Dr. Billy Graham's speech to the May 5, 1997, Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for his tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. *Lottery*

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. *Sex Education*

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented statewide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. *Abortion*

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25-years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. ***Homosexuality***

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N.C. law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles." This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. ***Alcohol***

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. ***Pornography***

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

International Mission Board
Facts and Figures

We will lead Southern Baptist to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

In the September, 1997 meeting with IMB trustees, Avery Willis, the board's senior vice president for overseas operations, described the following as "historic." He said it marked the beginning of a major new advance in Southern Baptist international missions.

The International Mission Board is changing from focusing on 194 countries to targeting 12,862 people groups in the world. "Countries" describes geopolitical entitites; "people groups" describes clusters of people bound together by language, culture and socioeconomic ties. One country can contain hundreds of people groups. The board's shift in focus from countries to people groups helps it more effectively reach previously unevangelized people groups.

An immediate strategy will be targeting the 187 megapeople (a people group of more than 1 million population in a country). The IMB expects to have its personnel targeting all 187 groups before the end of 1998.

The following annual growth levels reflect the combined reports from all international mission points as of the end of 1996 unless otherwise specified:

†	Total number of missionaries under appointment (9/97)	4,232
†	Total number of short-term volunteers (9/97)	13,885
†	Total number of newly appointed missionaries (9/97)	210
†	A record number of newly constitued churches (9/97)	2,367
†	Number of countries where missionaries reside (assisting in 25 others) (4/97)	127
†	Total number of baptisms overseas (1996)	283,674
†	Total number of overseas churches (1996)	39,876
†	Number of new people groups touched by the gospel (1996)	58
†	Total people groups served (4/97)	336
†	Baptisms among least-reached peoples (1996)	6,329
†	Record amount of Lottie Moon Offering (1996)	$ 93,089,179
†	Lottie Moon Christmas Offering goal (1997)	$100,000,000
†	Human needs receipts (9/97)	$ 3,268,754

Thank you Southern Baptists for being obedient to God's call: "Sing to the Lord, bless His name; Proclaim tidings of His salvation from day to day. Tell of His glory among the nations, His wonderful deeds among all the peoples" Psalms 96:2-3.

Meeting the Challenges of Health Care

1997 *Report to the Associations*

"Touching Lives With Hope"

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

Division of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contracts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

Points of Emphasis and Progress

J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disase and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials,* Bowman Gray School of Medicine ranked in the top 10 U.S. clinical research institutions.

QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.

WEB SITE - You can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http://www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.

HEALTH ON-CALL™ - Need a physician or answers to questions about health topics? Dial (800) 446-2255. A registered nurse will take your call and help you select the right physician, answer your questions, provide information or mail printed material to you.

SWITCHBOARD - Assistance and information can be obtained by contacting one of our helpful and courteous switchboard operators at (910) 716-2011.

A CLOSING WORD

In the midst of changing health-care norms, we will not deviate from the mission entrusted to us by the Baptist people of North Carolina. We stand fully committed to excellence and compassion, and remain visionary as we face the demans of the health care market. Under the providence of God, we will continue to find the ways and means to be successful without compromise.

Division of Evangelism, Baptist State Convention 1997 Report

With joy I report that North Carolina Baptists are continuing to experience progress in our evangelism efforts. Both our full time staff and field staff consultants are leading a variety of evangelism training events in many associations as we encourage churches to learn and use creative methods for doing evangelism. As a result of the prayers and labor by the members of North Carolina Baptist churches empowered by God's Spirit, baptisms in this state increased again for the third consecutive year. Based upon data taken from the Annual Church Profiles (ACP) and subsequent inquiries, total baptisms reported in 1996 were 25,674. This is a 1.9% increase over 1995. Many of our churches failed to submit an ACP and their baptisms are not recorded in this report. In addition to the numberous training events we conduct across the state each year, we also present a traditional statewide evangelism conference. The purpose of this event is to offer spiritual enrichment and motivation through dynamic preaching and outstanding music. This conference encourages church leaders to emphasize the importance of evangelism. In 1998 the State Evangelism Conference will be held at War Memorial Auditorium in Greensboro, February 2-3.

In cooperation with the Southern Baptist Convention, our theme for 1997-2000 in evangelism will be CELEBRATE JESUS 2000 (CJ 2000). This is a four year plan to share a gospel witness with every person in the United States. The emphasis for this strategy will be: 1997 Prayer, 1998 Personal Witnessing, 1999 Proclamation and 2000 Preservation. Promotional packets related to CJ 2000 have been mailed to churches. Local associations have both a packet and a video to assist in this emphasis. Our goal is to touch every home in North Carolina with a gospel witness before the beginning of 2001. In addition to the Evangelism Division staff, special assistants known as Field Staff Consultants have been trained to help associations and churches in N.C. develop strategies which will enable them to achieve this goal. These specialists are available to assist in association or church evangelism planning, training and implementation.

When we recognize that 45-50% of the more than 7 million residents of North Carolina are not actively affiliated with any church, do we realize that we must penetrate our culture with the gospel of Jesus? The staff of the Evangelism Division is available to help reach these people with the message of Christ's redeeming love. Often, most newer members in our churches are coming as transfer members from other churches while we are failing in our responsibility to reach those who have no relationship with Christ. Look around your community! Discover where the unchurched are! Determine their physical and emotional needs. Develop attractive innovative ministries which will give you the opportunity to meet their spiritual needs through the power of Christ.

INTERFAITH WITNESS - With the fast growing international population of our state and nation, tremendous needs exist for helping Christians understand the spurious beliefs of non-christian religious groups. This aspect of evangelism is rapidly becoming most important. Our division offers training in interfaith witnessing which can enable Christians to know how to share the Gospel with sincere religious people who have unknowingly been deceived. In addition, we maintain a list of specialists who have been certified to lead interfaith witnessing conferences in churches.

Director of Missions

(Ben Hall)

It’s hard to believe that we have completed 110 years as an association seeking to serve the Lord and to be of service to the churches of Montgomery Association. As we enter a new year, we should never feel that we have done as good a job as we could, to even think we have done enough.

We have seen changes in our churches during the year. We have seen several churches call new pastors. Candor called Rev. Doug Kennedy as pastor. Rev. Lee Horne had to resign from Center due to health. The church then called Rev. Russell Brown as pastor. He was examined by the Ordination Council of the association and then ordained by Tabernacle of Troy. Laurel Hill called Rev. David Wiseman as pastor after the retirement of Rev. James Williams. Dr. Bob Pratt retired from Mt. Gilead First. They called Rev. Chris Cadenhead as their pastor. He graduated form Duke Divinity School last May. At the time only three of our churches are without pastors: Dover, Wadeville, and White Crest.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men’s Director is to support the churches of the Montgomery Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

Our men have been involved in several mission projects in 1998.

Ramps: A total of three (3) new ramps were built, one (1) in the Troy area, and two (2) in the Dover area.

Prince of Peace Baptist Mission: Work was accomplished in the upstairs apartment. The old ceiling in the kitchen and dining area was repaired and refinished.

Disaster Relief: Victims of flooding in the NC mountains were helped. We sent a truck load of building supplies to the area.

North Korean Famine Relief Project: A joint effort of the NC Baptist Men and NC WMU. In the Montgomery Association a total of fifty (50) boxes of food was provided by individuals, WMUs, Baptist Mens groups, Sunday School Classes, and churches. Our churches involved were: Calvary, 6 boxes; Dover, 1 box; Grace Memorial, 1 box; Eldorado, 2 boxes; Forks of Little River, 7 boxes; Holly Mount, 6 boxes; Laurel Hill, 4 boxes; Mt. Carmel, 15 boxes; and Stoney Fork, 3 boxes. First Baptist Troy, Laurel Hill and Liberty Hill also sent contributions to help underwrite the shipping expenses. Troy Wesleyn and First Wesleyn also helped in this project.

Coats for North Korea: When North Korean officials first sensed an urgent need for coats to keep their children warm during the winter of 1998, they immediately turned to Southern Baptists. A total of 76,000 coats were delivered, with the Montgomery Association contributing 16 coats. We had only 10 days on this project.

WMU

(Delores Hicks)

The 1997-98 Emphasis was "Come Go With Me." Come Go with Me, Train with Me, Pray with Me, Minister with Me, Grow with Me, and Listen/Learn/Affirm with Me. Didn't Christ ask each of us to do any or all of the above?

In 1997-98 the WMU: 1) challenged the church to take a fresh look at the needs outside the church walls and start a new ministry; 2) lead more people to study Christ's response to human needs and follow His example in witness and ministry.

"WATCHWORD": "Which of these three do you think proved to be a neighbor to the man who fell into robbers' hands?" And he said, " The one who showed mercy toward him." And Jesus said to him, "Go and do the same." (Luke 10:36-37 NASB)

THEME: Go Make Disciples . . . . Follow Christ's Servant Example

We have had a good year!!! The WMU Leadership team, consisting of the following; WMU Director-Phyllis Parks; Assistant WMU Director-Delores Hicks; Women on Mission Consultant-Debbie Davis; Acteens Consultant-Virginia Chappell; GA Consultant-Carolyn Thompson; Mission Friends Consultant-Lynn Griffin; Missions Involvement Consultant-Shirley Hall; Ethnic Language Consultant-Irma Robledo; and Secretary/Treasurer-Jean Cranford; worked diligently to accomplish many tasks. They were willing workers and did anything they were asked to do, such as: teaching mission studies, both the International and North American; conducting a Baptist Women's Day of Prayer Service; participating in the Christmas Pounding for the needy in our county (we were able to give out 29 boxes of food); attending the following meetings and training sessions: NCWMU Annual Meeting, Ridgecrest (9 attended); Key Leadership, Caswell; State Level Leadership, at Caraway (8 attended); conducted a Church Level Leadership Training in our Association, (27 attended with 10 churches represented); attended a Woman's Conference at the Lafayette Baptist Church, Fayetteville, NC; assisted with the VBS at Samarkand; participated in the SOS program at East and West Middle Schools, held a Birthday Party at Samarkand for one of the churches; and had a Christmas in August Party for the Acteens, GA's and Mission Friends. The Christmas Party for the

Acteens, GA's and Mission Friends. The Christmas in August Party had 48 in attendance with 19 of these adults.

I want to thank everyone who helpd make this a prosperous year. I close with this! "Come Go With Me." So much needs to be done in this world and no one can do it alone. Together we can share the good news, lift burdens, and lead toward abundant life. Will you be a partner in the ministry?

Youth

(Billy Dennis)

This past year we saw a growing number of our youth groups come together for fellowship and spiritual growth. Once again many of our churches sent youth to Super Summer at Paramount's Carowinds, and several young people attended Summer Camp at Caraway and Mundo Vista. In addition, a number of youth groups held youth retreats and continued their ongoing Youth Ministry.

One of the most difficult times this past year for many of our youth came when their friend, teacher, and coach at West Montgomery passed away. It was encouraging to see so many of our pastors and youth workers come out to the high school to assist with the counseling efforts.

In January, many of our churches participated in the Crossfire Ministries presentation at West Montgomery High School.

In April, several of our churches were represented as we took an Associational Youth Retreat to Camp Pinehill in Bennetsville, SC. This upbeat weekend included times of Bible Study, sharing, prayer, and games. We particularly enjoyed the team-building experiences on the obstacle course.

In July, we hosted the WITNESS concert at Troy First, followed by a pizza fellowship. This was an exciting evening of worship and fellowship.

On September 19th, we held a Back to School Rally at Troy First, which featured the local quartet "Joyful Noise" and Christian Comedian Keith Deltano. Keith did an important program for youth promoting sexual abstinence until marriage. Following the program, the youth enjoyed a pizza fellowship while many parents attended a workshop conducted by Keith that encouraged them to keep their teens sexually pure. This event was attended by youth and adults from several of our Baptist Churches, along with those from other denominations. Once again, the folks at Troy First were gracious hosts.

We are now planning to conduct a Bible Study for youth concerning sexual abstinence until marriage. This will culminate with an opportunity to sign a commitment to remain abstinent until marriage, and to unite in their commitment with other young people from around the country as a part of ***True Love Waits*** national campaign.

Thank you to all of the churches who have participated in the planning and promotion of our youth events. Special thanks to all of the pastors, parents, and youth leaders who have been involved with carrying out these plans. Thank you to every church and individual who has prayed for or financially contributed to make these events possible.

Stewardship

(Bill Turnmire)

We are thankful to our Lord for His wonderful spiritual blessings in Montgomery Baptist churches this year. We are also grateful to all our churches who have shared in the financial support of Montgomery Baptist Association missions. We received about 85% of the proposed budget of $56,856.07 during the past Associational year.

If each church will contribute at least 5% of each month's undesignated receipts in the coming year in support of our Associational work, we will have no problem reaching our proposed budget and accomplishing even more for our Lord in the mission field right here in our association. Prayerfully consider the decisions your church needs to make concerning this important offering!

Deacons

(Sam Beasley)

It has been an exciting year. Many accomplishments have happened in our association and world. After talking with many of you this year about different circumstances in your home church, I feel you have been working to continue to yoke together with your pastors and congregations, keeping all functions above board and church family problems kept within the church, and remembering Romans 12:5 "one body in Christ and everyone members one of another."

We have different gifts according to the grace given to us. Let us continue to pray for churches without pastors, for our association and the leaders of it, and for each other, always considering that a church is only as strong as its weakest deacon or deaconess.

I pledge to pray for you and your church daily, because truly prayer can change lives for the better. *Greater is He that is in us, than he that is in the world.*

Evangelism

(Alex Willoughby)

Our Evangelism Conference on September 17, 1998, was very exciting. There was some very good singing from the choirs that participated. We also had some excellent preaching. We would like to thank everyone that had a part in the conference. We would also like to thank each one that came to the conference.

We need to be challenged more and more in the areas of evangelism. The purpose of the church is to reach out and minister in the name of **Jesus Christ**. We have been given the great commission in Matthew 28:18-20 to go reach all people, "baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, *even* unto the end of the world." This is the heartbeat of the church. The heart of the church is weakening. We need to begin to do some exercise to get the heart of the church back in condition to do the purpose of soul winning.

If there is anything that the evangelism committee and I can do to help, please let us know. We are going to begin making plans for events and training for the year of 1998 and 1999. If you have any ideas that would help bring our association of churches back into focus, we want to hear from you.

Thank you for your prayers and support. May **God** bless you, and keep you, and ***use*** you this year to help reach Montgomery County for Christ.

Prince of Peace

(Ernesto Robledo)

The work at the Hispanic Mission continues. In October, we had two persons join the church by statement. This increased our membership to 26. Our Sunday School enrollment was 83 with an average attendance of 45. We also had 70 in worship service.

October 30th through November 2nd, we conducted our revival with great results. We had 7 professions of faith, 14 for baptism, and 16 rededicated their lives. The Lord continued to work in the month of November. On the 22nd, I performed a wedding ceremony for a new couple in our church. November 23rd, we dedicated 3 babies, had special service where 11 were baptized and that same day we had our Thanksgiving service with dinner after the service.

In December, we had our Christmas program on the 21st. We had 1 profession of faith and gave out bags of candy for the children. In January of 1998, we started a weekly day of prayer for the church. We also started our youth meetings once a month under the leadership of Noe Soriano, our youth director. Our WMU continues to meet the first Friday of each month with an average attendance of 8 and my wife being the director.

By February, we continued our weekly visitation program and also visitation once a month for the church. On March 18th, we conducted a music workshop in which we had a good response. During the same month our church received a special blessing. Mount Carmel donated 11 pews, 5 pulpit chairs and the Lord's supper table. We are thankful to the Lord, because our sanctuary has a better and more beautiful look. We also reorganized the space for the Sunday School Classes, as they are growing some.

In April, we had our sunrise service at 6 a.m. on Easter Sunday with breakfast afterward. We also celebrated our regular service and a picnic in the park at the end. On May 16th, we had a Bible Prophecy Conference. This was an all day activity which 30 attended and a meal was served at noon time for the church.

During the month of June, great things continue to happen. On the 6th, my wife and I led a Sunday School Conference for the Hispanic Churches in Raleigh. We also celebrated our Revival from the 17-21 of June with an evangelist and a gospel group from Texas. We had 9 professions of faith and 11 rededicated lives.

By July, we had an enrollment of 85 in Sunday School, with an average attendance of 50, and an average of 65 in worship service. In the month of August, the Lord continued to bless our church. After almost a year and a half of having our church van financed, we were able to pay it in full as of August 3rd.

In September, on the 5th, we started two new ministries in the Pee Dee Association. On the first Saturday of each month, a group from our church will be at the flea market passing out tracks and New Testaments. Also on the same date, I started a Spanish radio program at the WKDX in Hamlet. This will be every Saturday from 4-4:30 p.m. on 1250 am.

We at Prince of Peace, ask for your prayers as we face greater challenges and needs among the Hispanic population.

Discipleship Training

(Raleigh Castelloe)

At the present time only six churches in the Montgomery Baptist Association report ongoing Discipleship Training Programs. The good news is that is one more than a year ago. We are grateful for the increase. Other churches are challenged to consider the establishment of ongoing Discipleship Training programs. Every Christian needs to be trained to become a more effective disciple of Christ.

Several churches have provided short-term training events for their members. This approach can be very effective because it can focus on specific training needs. Resources are available to help with training in almost every area of Christian life and ministry. When using the short-term training approach a church should look carefully at its needs and the needs of its members and plan a schedule of training events that will meet those needs over a period of time.

Discipleship Training provides opportunities for church members to be involved in training for a specific place of leadership in the church, for a specific ministry, for Christian Living, or for any other aspect of Christian Life. The role of the associational Discipleship Training organization is to assist churches in the development of their training programs. Churches are encouraged to call upon the association for any assistance they may need.

Resolutions Committee

(Curtis Blake)

Whereas, God has richly blessed our churches and our Association during the past year, and

Whereas, in this One Hundred Tenth Annual Session of the Montgomery Baptist Association meeting at First Baptist Church Troy on October 20, 1998, and Candor Baptist Church on October 21, 1998, we have seen support and interest from the churches. Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Dr. Lee Church for his able and dedicated service as moderator;
3. That we express our gratitude to Joyce Litton for serving as our clerk;
4. That we express our appreciation to Rev. Ben Hall for his leadership as our Director of Missions, and to the members of the various committees, the heads of our different departments, and to all who have served this year in our Associational work.
5. That we express our gratitude to First Baptist Church Troy and Candor BaptistChurch for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;
6. That we continue to express our appreciation for those who work in the Sharing Place and the Food Ministry;
7. That we encourage our churches to support our Association and other missions at home and abroad with their generous gifts and prayers.

VBS

(Dale Whittington)

In March, we traveled to Greensboro's Friendly Baptist Church for a one day training workshop for VBS by our State Convenention. Those attending were Bonnie Kelley, Younger Preschool; Mozelle Hicks, Older Preschool; Frances Culbertson, Middle Children; Linda Whittington, Older Children; Raleigh Todd, Youth; and I attended the directors training. On May 11, we put our training into action at the Association Clinic at First Baptist Troy. Our attendance was up from the previous year, but still rather disappointing with 37 individuals and 9 churches represented. At this time, only 15 churches have reported to the Association office that they conducted a Bible School this summer. Please don't forget to send in your reports to the Association office. One of our churches, Candor Baptist, received a commendation from the State Convention for their VBS.

The last week of July, we again sponsored a VBS at Samarkand. This was our 6th year of doing a Bible Study with these youthful offenders. We were able to muster enough volunteers for 7 of 8 cottages and for three nights. In years past, we have been able to go for 4 nights; Monday, Tuesday, Thursday, and Friday. There were 169 young people enrolled, with an average attendance of 133. Ten (10) professions of faith were made and there were 5 rededications. Would you *please* prayerfully consider helping in this ministry next year?

Remember, VBS is one of the greatest outreach tools that we have to reach the lost for the Lord to bring them into our churches.

Sunday School

(Dale Whittington)

Last October, our Act Team held its first training sessions at Stoney Fork, with an average of 12 in each of three (Monday) nights of general teaching techniques. On our final night, the teachers of each age group met with the consultant for that age group. We all had a great time with the training and fellowship as we were involved in our Lord's work.

In April, our team went to Raleigh at Forest Hills Baptist Church for two days of training. Your ACT team members this year: Frances Culbertson, Preschool; Billy Dennis, Older Children; Doug Kennedy, Youth; and Raleigh Castelloe, Adult. Our purpose and training are to assist you in *Reaching, Teaching, Caring, Witnessing, and Leading* people to **Christ.** If your Sunday School isn't growing ask why? Your ACT team is ready to help you with the questions and some answers too.

Hamer Creek recently held a ***Sunday School Revival.*** The church experienced great results and is excited about their growth. If your church is interested in a Sunday School Revival, call Phil Stone at 1-800-395-5102 ext. 227.

There is a lot of hard work ahead of each Christian in our Association, if we are able to reach the lost and unchurched in our area. Let's all try to do our part!

Baptist Children's Homes of North Carolina - 1998

Sybil Stewart, Trustee Chair
Michael C. Blackwell, President

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparent's murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parent's weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A's" and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 18 percent of the nearly $18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Buildings Dedicated

Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke on Jan. 20, and at the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion" to successfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more than I deserve," Drake said in a brief emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000, the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

Making Life for Older Adults...

The Best of Times

Treasures Old and New

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, *"Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52*

During this past year God has enriched Baptist Retirement Homes with special treasures.

Treasures Old

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY - Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You," to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS - These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albermarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

Treasures New

TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD - For more than a decade Baptist Retirement Homes have been dreaming with North Carolina Baptists of the Cabarrus / Mecklenburg / Rowan / Stanly area about providing quality residential and health care living opportunities and services to Older Adults. Because of the encouragement given by Baptists of the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE - These apartments are nearing completion as an addition to the Main Building at the Brookridge Retirement Community in Winston Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED - Special units for those Older Adults dealing with dementia related conditions such as Alzheimer's Disease, will be developed at the Western North Carolina Baptist Home in Asheville and the Brookridge Retirement Community in Winston Salem. In Asheville the unit will be created via significant renovation within the current home. In Winston Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults... ***The Best of Times!***

The North Carolina Baptist Foundation, Inc.

THE BIBLICAL RECORDER
Associational Report -- 1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist Churches. We Baptists cherish our soul-liberty, and its corporate corollary--the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage form yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for the people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept the pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: http://www.biblical recorder.org.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally--from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Council on Christian Higher Education

Baptist State Convention of North Carolina
1998

Chowan College	Campbell University	Gardner-Webb University	Mars-Hill University
1848	1887	1905	1856

Meredith College	Wake Forest University	Wingate University
1891	1834	1896

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served b riefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

Christian Action League of North Carolina, Inc.
1998 Annual Report To The Associations

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. *Christian Values*

• It was the pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

• Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

• Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. *Gambling*

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls, and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

CAL also monitored the work of the Legislative Study Committee on Bingo Regulations.

C. *Sex Education*

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented statewide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. *Abortion*

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. *Alcohol*

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

CAL will host a national conference in September of the American Council on Alcohol Problems.

F. *Pornography*

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

G. *Homosexuality*

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

Meeting the Challenges of Health Care

1998 *Report to the Associations*

"Touching Lives With Hope"

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Young Leaders Program, Turning Point, Interim Ministry Training, International Interim Ministry training.

Facts about Wake Forest University Baptist Medical Center

- With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.
- The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.
- Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Director of Missions

(Ben Hall)

The hype this year has been Y2K. Yes, we will be entering a new millennium in a few short weeks. We may ask the question, are we ready? I would like for us to look back some at this past year in our association.

One of the most meaningful events for the year was our World Missions Conference. We had eleven churches to participate. Our state home and world views and needs for missions were enlarged. The response from the missionaries was "one of the best". Several churches were challenged to go beyond the conference to help with mission work in West Virginia and New Jersey after hearing the missionaries.

Our Youth Director was faithful to involve the youth in "True Love Waits" activities during the year. Several signed the pledge cards to wait for marriage. The cards will join other cards across our nation to be posted together across the Golden Gate Bridge on New Years Eve.

Another event which involved twenty-two people (22) people and several churches from across the association was the Vacation Bible School held for the seventh time at Samarkand Manor. This always proves to be a most worthwhile endeavor. There are over two hundred youth incarcerated there. Although they have a full time chaplain, extra help goes a long way in this VBS ministry. One hundred eighty four were enrolled. There were reported twenty-one (21) professions of faith.

The association was involved in a mission VBS at Twin Harbor. Three (3) teams taught there for five (5) mornings in July. We had a preschool class, and two children classes. There were fifty-two (52) children enrolled. This also proved to be a most worthwhile endeavor.

Several churches lost their pastor this year. Rev. Curtis Blake retired from Forks of Little River, Laurel Hill lost Rev. David Wiseman, Rev. Lee Church resigned from Tabernacle and Wadeville lost Rev. Gary Long. Several churches have called new pastors. Dover called Rev. Don Davis, Wadeville called Todd Eckstein, White Crest called Rev. Danny Laws and Valley View called Rev. Cliff Jordon.

Stewardship

(Bill Turnmire)

It has been a great year in Montgomery Baptist churches for the spiritual growth is very evident. We are also grateful for the growth financially in supporting missions at home. We received 96% of the proposed budget of $57,289.20 during the Associational year. We continually give thanks to our Lord for the great cooperation among Montgomery Baptists in support financially. May we continue in our spiritual and financial growth to advance our Lord's kingdom work here on earth until He comes!

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

Our men have been involved in several mission projects in 1999.

Ramps: A total of Three (3) new ramps were built, one (1) in the Dover area, one (1) in the Candor area and one (1) in the Wadeville area. The men involved were: Fred Hare and Manley Green of Dover, Paul Haywood of Laurel Hill, and Glen Thompson, Danny Hinson and Paul Gordon of Mt. Carmel.

Disaster Relief: Honduras Food Project: On Sunday afternoon, June 6, and Monday morning, June 7, N.C. Baptists brought food boxes packed with rice, black beans, flour, masecal meal and powdered milk, to six (6) collection points across the state. WMU groups, Baptist Men's groups, Sunday School Classes, churches and individuals collected and brought a total of 2653 boxes! This was well over the goal of 2500 boxes.

In the Montgomery Association, fifteen (15) churches produced ninety eight (98) boxes. Blackwood Chapel, 1 box; Grace Memorial, 1 box; Liberty Hill, 1 box; Troy First, 1 box, Westbrook, 1 box; Bethel, 2 boxes; Exway, 3 boxes; Eldorado First, 5 boxes; Stoney Fork, 5 boxes; Dover, 6 boxes; Holly Mount, 10 boxes; Calvary, 11 boxes; Forks of Little River, 11 boxes, Star First, 11 boxes; and Mt. Carmel, 29 boxes.

These boxes were transported to Gulfport, Mississippi, where they were loaded on barges and shipped to Honduras. IMB missionary, Larry Elliot (a NC native) received the boxes and working with the National Baptist Convention of Honduras, distributed the food to central locations across southern Honduras. Once there, local Baptist churches distributed the food to families who have been affected by the flooding. One box of food would supplement a family of four for approximately one month.

Thank you for your support of this project. Please continue to pray for the Honduran people and our volunteer teams as they travel and work in Honduras.

Music

(Raleigh Todd)

The highlight of this year was the formation of an Associational Youth Choir. In February, twenty (20) youth representing eight (8) churches within our association met at First Baptist, Troy to begin preparation of the musical ***"True Love Waits"***. This was done

in coordination with Billy Dennis and the youth committee's promotion of the ***True Love Waits*** emphasis. In May, the choir presented the musical at Hamer Creek and Tabernacle churches. Thanks to both of these churches for their gracious hospitality. Special thanks to Linda Whittington who gave of her time to be the accompanist, and to the parents who helped with transportation, food, props, etc.

As Associational Music Director, I am available to assist individual churches and choir directors with their musical needs. This coming year, I hope to involve more of our choir directors in the formation of an **"Associational Music Fellowship"** where we can meet to discuss music training needs for our association.

WMU

(Bonnie Kelley)

The theme for the year was ***"Transformed"*** which comes from Romans 12:a. The objectives are: 1. To challenge its members to experience the transforming power of God.
2. To participate in mobilizing Christians to share the message of God's transforming love with peoples of the world.

This past year has proven to be a busy year for the Association WMU Leadership Team.

In November, we observed the Baptist Women's Day of Prayer. It was held at Biscoe First. Also in November was the Week of Study and Prayer for International Missions along with the taking of the Lottie Moon Christmas Offering for International Missions.

In December, the Leadership Team met to pack the food which came in for the Christmas Pounding for the needy families in our county. We were able to help twenty three (23) families.

In February, we observed Focus on WMU in the Sunday School. Also in February was the Week of Prayer for North America Mission study and the taking of the Annie Armstrong Offering for Home Missions in the churches.

With the approach of April, came time for the Mission Extravaganza which was held at Ridgecrest. This is our state's annual WMU meeting. 2177 registered for this meeting. The meeting in 2000 will be May 5-7 at Ridgecrest. A goal of having fifty (50) ladies from our churches to attend this meeting has been set. Plan to have ladies, and girls from your church to attend.

The Associational annual WMU meeting was held April 29 at Troy First. Carolyn Hopkins from the State WMU Officer was the speaker.

A new mission project was brought to the attention of the Leadership Team of a need at Samarkand. Samarkand now houses all the young girls from across the state who ar ordered by the courts to this facility. Some of them come into the facility pregnant. The new project is to furnish materials needed for the new baby. So far, help has been given to three babies. Our project is called *Baby Care Project.*

In May, I had the opportunity to go to Key Leadership at Caswell. There we learned about the new theme for 1999-2000. It is ***"Transformed.....Take the Stand."*** Now that we have been transformed from the inside out, we are encouraged to take a stand for what is right, not only in our community, but in our nation.

With the arrival of Summer, the WMU was involved in teaching VBS at Samarkand. The Baptist men and others also had a hand in this effort.

In July, the Leadership Team went to Caraway for training for the upcoming year. The team members are: Director, Bonnie Kelly; Assistant Director, Delores Hicks; Women on Missions Consultant, Phyllis Parks; Acteens Consultant, Virginia Chappell; GA

Consultant, Robin Perry; Mission Friends Consultant, Lynn Griffith; Mission Involvement Consultant, Shirley Hall; Ethnic Language Consultant, Irma Robledo; and Secretary/Treasurer, Jean Cranford.

Our big event to close out the summer was our *Christmas in August Party.* We had forty-eight (48) in attendance with ten (10) churches represented. School supplies and other needed items were collected and sent to Georgia.

The Association Leadership training was held September 30 at First Baptist,Troy.

Let's make the new year a great one for mission education and involvement.

Resolutions Committee

(Mitchell Walker)

Whereas, God has richly blessed our churches and our Association during the past year, and

Whereas, in this One Hundred Eleventh Annual Session of the Montgomery Baptist Association meeting at Dover Baptist Church on October 19, 1999 and Tabernacle Baptist Church on October 20, 1999, we have seen support and interest from the churches. Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Rev. Gary McNeill for his able and dedicated service as moderator;
3. That we express our gratitude to Joyce Litton for serving as our clerk;
4. That we express our appreciation to Rev. Ben Hall for his leadership as our Director of Missions, and to the members of the various committees, the heads of our different departments, and to all who have served this year in our Associational work.
5. That we express our gratitude to Dover Baptist Church and Tabernacle Baptist Church for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;
6. That we continue to express our appreciation for those who work in the Sharing Place and the Food Ministry;
7. That we encourage our churches to support our Association and other missions at home and abroad with their generous gifts and prayers.

Vacation Bible School

(Dale Whittington)

On Tuesday, March 2, the Association VBS Team visited First Baptist Church, Asheboro for the State Convention training. It was the first time for the training had been offered at night. We had supper at 5 p.m. and the classes were from 6-9 p.m. Those attending were Bonnie Kelley, Young Preschool; Mozelle Hicks, Older Preschool; Lynn Griffin, Younger Children; Frances Culbertson, Middle Children; Linda Whittington, Older Children; David Wiseman, Adults; and I attended the director class. We enjoyed the night training but learned that it was a one time endeavor. The State Convention will revise VBS training. The clinics will be discontinued because of lack of attendance, and a new format will be used next year. We understand where they are coming from because

there were a total of seventeen (17) in attendance at the association clinic on May 10. Nine (9) of those were the Association VBS Team, so eight (8) people came from our twenty nine (29) churches.

The association sponsored a VBS at Twin Harbor during the first week of July this year. There were fifty two (52) enrolled with an average attendance of forty (40). We had a class each of preschool, younger children and older children. Everyone enjoyed it.

This is the seventh year that the association has sponsored VBS at Samarkand. There were 184 enrolled with an average attendance of 163. The best news is that there were twenty one (21) professions of faith and numerous rededications. We need to remember these young people in our prayers.

VBS is one of the greatest outreach tools that we have for helping our churches to grow. If your church did not have a VBS this year, (only fourteen (14) of our churches reported one to the office) ***please*** consider it next year. I would be glad to help in any way that I can. May God Bless our efforts as we work together in the new millennium.

Prince of Peace

(Ernesto Robledo)

We praise God for what He is doing in our midst as we have taken steps of faith. The first fact is that we were able to pay the building debt in full as of October 16 , 1998. This has been a victory in our behalf after having it financed for six years. On November 26, 1998, we had a double celebration. That day we had our Thanksgiving service and a gospel group presented the music. At the same time, we had a note burning ceremony with Rev. Ben Hall and Rev. Larry Wilson as our special guests.

During the month of December, we conducted several activities. On the 5th, the WMU had their international supper with good attendance. On the 6th, we had our Christmas cantata by our church choir. Our Christmas Play was presented on the 13th. The 15th through the 29th, my family and I went on vacation to Texas. On the 31st, we celebrated our watchnight service in which we greatly rejoiced. In January, 1999, we started a prayer day for the church on Mondays. The youth and the WMU began meeting twice each month.

In February, we celebrated a joint service with First Baptist, Ellerbe, where a group of ladies from our church presented special music. In the same month, god gave us another blessing as we purchased eleven (11) acres for our future building. Also during February, I attended the mentoring conferences at Caraway. On March the 6th, we had a conference on how to witness. The 19th-20th, my family and I attended the annual language pastor's conference at Caraway. On April 17th, we hosted the Hispanic Fellowship of Churches.

On May 8th, we had a special service as one of our young ladies celebrated her fifteenth birthday. On the 20th, we prepared a special service for the high school graduates and also had a guest speaker. June 14th-17th my wife and I attended the Southern Baptist Convention in Atlanta, Georgia. The 24th-27th, we had our revival with local pastors in which we had four (4) professions of faith and twelve (12) rededications.

On July 10th, we had a joint work day with a group from First Baptist, Southern Pines. On August 1st, we had the inaguaration service at the Horeb Baptist Mission in Ellerbe as we moved to our own building. On August 21, we also attended the conference for Hispanic pastors and leaders in Charlotte. The 17th-19th, my wife and I attended the first Hispanic Youth Camp at Caswell.

During these months, our worship attendance has increased from 65 to 80, and our

Sunday School has increased some. We continue with our weekly and monthly visitation, and discipleship classes and prayer vigils for the church. Please continue praying for the Hispanic Mission as we minister to the church and the community as well.

Youth

(Billy Dennis)

A special thanks to the following people for all their hard work this past year as members of the Associational Youth Committee: Teresa Browning, Heather Cadenhead, Doug Kennedy, and Denise Manor. Many other youth workers, pastors, and parents also had a tremendous impact on the success of our ministry this past year.

Many of the churches in our association have on-going youth ministries. Several of these churches worked together to accomplish much this past year.

The youth did a wonderful job, under the leadership of Raleigh Todd, presenting the musical ***"True Love Waits."*** This musical was presented twice, and several churches were represented in the youth choir.

Other events included a ***"True Love Waits"*** Bible Study and a county-wide display of ***"True Love Waits"*** pledges on Valentine's Day, 1999. Those pledges were displayed all summer at Caswell, and again at Super Summer. They will be joined with thousands of others in a national display this fall across the Golden Gate Bridge, and again in an international display on December 31st at the International Date Line.

In the Spring, several of the youth were involved in the Crossfire Ministries vs. ACC All-Stars basketball game and gospel presentation at Pfeiffer College.

We had a scavenger hunt this past summer, and we held a Back-to-School Bash in August. Youth participated in games and group-building activities, followed by supper. The evening was concluded with a concert by Christian recording artist, Lana Chambers.

Without a doubt, the highlight of our year was the mission trip during Spring Break! A number of young people, along with several adult chaperones, traveled to Camp Caraway, where we painted, raked, cleared trails, and built an outdoor chapel. The work we did there has already had an impact as hundreds of people have been exposed to the gospel this summer in the facilities we built and repaired. The trip also included Bible Studies, games, canoeing, great food, a talent show, and a challenging ropes course. We were thrilled to witness two (2) professions of faith during our trip!

We hope to see more churches involved in the youth ministry of our association. Together we can do so much more than we could ever do on our own. The Lord has blessed us with some wonderful young people who love Him and each other. Without exception, their lives are richer for the fellowship and we all grow spiritually stronger as a result of what we do together.

Evangelism

(Alex Willoughby)

We are living in what I consider to be the greatest era ever. One millennium is ending and another beginning. We are living during a time that I believe Jesus Christ could return at anytime. The world in which we are living is in total chaos. It seems that people on every part of the globe are in despair. The eastern part of North Carolina is ravaged with the aftermath of hurricane Floyd. Other parts of the world are being torn apart by earth-

quakes and volcanoes. Lives are being destroyed, loved ones taken, and many more left homeless, without a clue as to what to do next. Millions are literally starving to death, while others are feasting upon all the riches of this world as fast as they can get hold of them.

We are living during the time when all seems to be hopeless. It is during this time that we have the opportunity of doing the greatest good in the midst of the lives of people. You and I, with countless others, have what this world needs and that is the greatest gift that this world has ever known, the gift of eternal life through Jesus Christ our Lord. It is at this time that we can look all around us and see people whose lives are being destroyed, crying out for help, when all we have to do is be willing to share our faith in Jesus with them. Jesus Christ is the answer to the greatest problem that man has ever known.

With this in mind, that is the ultimate reason for having evangelism crusades. We all need to be reminded and encouraged that it takes every Christian doing his or her part in taking the gospel of Jesus into every part of the world in which we live and work. We have the greatest privilege ever in being part of God's plan to reach our loved ones. We all need to be challenged and motivated from time to time to keep ourselves on track of what God's main purpose is and that is to reach all that we can for Christ.

We just completed what I believe was a great crusade where many decisions for Christ were made. Some were first time decisions, others rededications, but regardless of what they were, many lives will be affected throughout eternity. It will take all of our churches working together to make an impact on our county. We have the greatest resources on our side; God, Jesus, the Holy Spirit, and the Church. I know that if we allow God to use all of us together, we can turn Montgomery County upside down with the wonderful good news.

I would like to take time to thank every church and every individual that worked and participated during the Crusade. Without all of your help it would have never been possible. Let's go out and win Montgomery County for Jesus. Let's determine that we will go forth until every door has been knocked upon and every home has been engulfed with the love of God through the people of God. Let's be victorious in reaching people for our Savior and Lord Jesus Christ.

Baptist Children's Homes of NC 1999 Book of Reports

David S. Clay, *Trustee Chair*
Michael C. Blackwell, *President*

Three rocks beside her trailer house warned four-year old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/ baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of *"Quality Service Through Quality Relationships."* Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the

old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

"Lord . . . you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have delightful inheritance."

-Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have delightful inheritance.

"...You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

"...The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably

THE BIBLICAL RECORDER
Associational Report -- July 1, 1999

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder,* which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: ***"Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular Reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder.*

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide

Web. The *Recorder's* website at *hhtp://www.biblicalrecorder.org* offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable resource of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

◆ Church News Service (incorporates church newsletter into the *Recorder*) - $6.36
◆ Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
◆ Club Plan (4 or more persons in a church subscribe together) - $8.48
◆ Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

1999 Annual Report To The Associations

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. *Christian Values*

• It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a statewide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

• Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

• Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

• Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletter.

B. *Gambling*

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian Community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

C. *Sex Education*

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented statewide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. *Abortion*

CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using tax-payer funds.

E. *Alcohol*

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607 and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

F. *Pornography*

Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

G. *Homosexuality*

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884 and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using tax-payer dollars.

"N.C. Baptists have been involved in Christian higher education since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of pastors, staff ministers, and lay leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life of our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and region. During these years the Hospital has been faithful to the vision of North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now13 Christian counseling centers located at strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders, Leadership Development Group, Interim Ministry Training, and International Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

• With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.

• The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
• Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife - The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center - The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR - The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report*. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker" for the brain that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compas-

sionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Respectfully submitted,
Len B. Preslar, Jr.
President
The North Carolina Baptist Hospitals, Incorporated

Director of Missions

(Ben Hall)

We all came through the Y2K hype without a blemish. Some had made preparations with supplies to carry through a crisis. Yet, it proved unwarranted. But when the end of January came, there was the worst blizzard experienced by the county in seventy years. With power outage, everyone was scrambling to keep warm, cook food and survive. The NC Baptist Men set up a feeding unit in the county to help in the time of need. Churches went as many as two Sundays without services. Many homes were without electricity for two or more weeks. Yet, all in all, God has been good to us.

As an association, we stated that by this year we would shift to begin our year in September. This we have not done. We need to get in synch with the churches and the Sunday School year.

One of the highlights of the year was the "Celebrate Jesus Crusade" held at the first of October. This was well-attended and supported financially by seventeen of our churches. The work of each committee was carried out very well.

Another involvement of the year was with the recovery from Hurricane Floyd. The association took on the project to help in the restoration and repair of two houses in Burgaw. We had several teams that went to work beginning in May. We also sent $2,000.00 to be used in this project. This work was finished in July. There are still many more houses which need work done. We plan to still have teams go and work in the Grifton area.

We regret to say there has been a change in the number of churches by demise of three in the association. Center withdrew in October 1999. Valley View closed her doors in the spring of 2000. Most of the members united with Blackwood Chapel. They also gave much of the furnishings to Blackwood Chapel. The building was given to hospice. Prospect withdrew from the association in September 2000.

At this time, we have four churches without pastors. They are Laurel Hill, Star First, Stoney Fork, and Wadeville.

As we continue into the 21st Century may we continue to seek ways to be effective and serve our Master in a greater way.

Stewardship

(Bill Turnmire)

We are thankful to our Lord for His wonderful spiritual blessings in Montgomery Baptist churches this year. We are also grateful to all our churches who have shared in the financial support of Montgomery Baptist Association missions. Our receipts of $61,064.95 for the past year are 95% of the proposed budget for 2000-2001 in the amount of $63,731.00.

As each church contributes at least 5% of each month's undesignated receipts in the coming year in support of our associational work, we will have no problem reaching our proposed budget and accomplishing even more for our Lord in the mission field right here in our Association. Prayerfully consider the decisions your church needs to make concerning this important offering! And thank you again for your financial offerings to Montgomery Baptist Association.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Baptist Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

Disaster Relief: Hurricane Floyd in Eastern NC: The following individuals from the Montgomery Association worked the feeding unit at Wilson, NC: Gene Singleton, two (2) trips; Sally Morris from Forks of Little River; and Benny Blake from Calvary. Gene Singleton delivered two loads of clothing, shoes, and cleaning supplies to Williamston, NC. The Montgomery Association agreed to rebuild two houses at Burgaw. Plywood was installed on the floor and sheetrock was installed in both houses. Churches in the Montgomery Association donated money to buy new windows for the older house. The work at Burgaw was complete on July 31. Involved in the mission work was Rev. Ben Hall and Shirley, Rev. Curtis and Sue Blake, Bobby Deaton, Glen and Evelyn Thompson, Harold and Vada Whitaker, Paul and Becky Gordon of Mt Carmel; Dale and Linda Whittington of Blackwood Chapel; Carolyn Plowman of Mt. Gilead First; Rev. Ernesto Robledo, Israel Medrano, and Emmanuel Gonzales of Prince of Peace.

Disaster struck Montgomery County as the winter storm brought down trees and power lines, leaving the county without power. The NC Baptist Men's Disaster Relief Unit of Region #6 operated a feeding unit at Troy Elementary School in Troy. Gene Singleton of Forks of Little River, Jerry and Janno Daniels of Troy First, and Rev Ben Hall, Paul and Becky Gordon of Mt. Carmel assisted with the feeding operation.

Paul and Becky Gordon carried a truck load of kitchen appliances to Grifton, NC, and checked on the progress of the recovery. Many homes (about 200) are only now being rebuilt from the devastating waters of the resulting flood. NC Baptist man have a warehouse with feeding and sleeping facilities. More volunteers are needed.

A mark of a true Christian is finishing well. Consider what your role may be in helping North Carolina Baptist finish the job of ministering to families from Floyd.

WMU

(Bonnie Kelley)

As I stand before you tonight, I have completed my second year as your WMU Director and under way of the third year with you. It has been another busy year as we have been transformed...Take...The...Stand! You will notice that there could be a word missing in that statement, the word "to" would give it a whole new meaning. As it were, though, we need to be strong for our Lord and take a stand for Him. Our Watchword for the year was Ephesians 6:19 "Pray also for me, that whenever I open my mouth, words maybe given me so that I will fearlessly make known the mystery of the Gospel." In order to be equipped to take the stand we have to put on some outer garments, the Breastplate, the Helmet, the Shield and have with you the Word of God.

As I said earlier, we had another busy year. We had our annual Associational training in September. In November, we observed National Women's Day of Prayer held at Hamer Creek Baptist Church. In December, the Leadership Team went to Charlotte on December 2nd to work at the Samaritans Purse Warehouse. What a blessing we all had and we look forward to going again this year.

Again, we helped with the Christmas Pounding. We thank each one who donated food to the cause to help the needy in our community. In February, we observed WMU Focus Week. I would like to encourage every WMU group to have special recognition in your church. Let the members of your church know WMU is alive and well.

In April, we had our annual Associational Meeting at First Baptist of Troy. Our guest speaker was Phyllis Elliott Elvington. She encouraged us to use the gifts God has given each of us. With the month of May came Missions Extravaganza. Wow, what a wonderful time we had. There were eighteen men and women. Some didn't want to leave and we are all ready to go back again. This is a weekend of encouragement, praise, fellowship, and of course lots of good food. In August, we had our third annual Christmas in August party. This year we invited the women on Missions to come and enjoy the day with us.

I would like to say that in all the events we had this year, we saw in increase in attendance. We are thankful for this and hope the growth continues.

Our Leadership Team was as follows: Delores Hicks, Assistant WMU Director; Phyllis Parks, WOM Consultant; Virginia Chappell, Acteen Consultant; Robin Perry, GA Consultant; Lynne Griffeth, Mission Friends Consultant; Shirley Hall, Mission Support and Involvement; Jean Cranford, Secretary/Treasurer and Irma Robledo as our Language Ethnic consultant.

In closing, I would like to recognize Calvary Baptist Church for having started a new WMU group last year. This has been a growing process and now they have Acteens and their Brotherhood has gotten started. I would like to see us get some more new groups started this year. We can if we Believe, Beyond Belief!

In His Service,
Bonnie Kelley, WMU Director

Resolutions Committee

(Phyllis Castelloe)

Whereas, God has richly blessed our churches and our Association during the past year, and Whereas, In this One Hundred Twelfth Annual Session of the Montgomery Baptist Association meeting at Stoney Fork Baptist Church on October 17, 2000 beginning at 2:00 PM, we continue to see support and interest from the churches. Be it therefore resolved:

That we express our deepest gratitude to God for His blessings;

That we express our appreciation to Rev. Gary McNeill for his able and dedicated service as moderator;

That we express our gratitude to Joyce Litton for her service as clerk;

That we express our appreciation to Rev. Ben Hall for his leadership as our Director of Missions and to the members of various committees, the heads of our different departments, and to all who served this year in our Association work;

That we express our gratitude to Stoney Fork Baptist Church for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;

That we continue to express our appreciation for those who work in the Sharing Place and the Food Ministry;

That we encourage our churches to support the Association and other missions at home and abroad with their generous gifts and prayers.

Vacation Bible School

(Dale Whittington)

The state convention training for association VBS teams underwent another change this year. Montgomery Association joined with two neighboring associations, Anson and Pee Dee, in March for a night of training at Heritage Baptist Church in Rockingham. Our team consisted of Bonnie Kelley, Younger Preschool; Mozelle Hicks, Older Preschool; Frances Culbertson, Middle Children; Linda Whittington, Older Children; Doug Kennedy, Youth; Raleigh Castelloe, Adults; and Dale Whittington, Director. The clinic we sponsored for our churches in May at Troy First was not very well attended. Fifteen (15) of our churches have reported to the office that they have had a VBS this year. This is one more than last year. Candor Baptist received a commendation from the state convention for their VBS again this year. This is the third year in a row the church has received this award. They deserve our congratulations!

After seven (7) consecutive years of sponsoring a VBS at Samarkand, due to circumstances beyond our control, we were unable to conduct a VBS there this year. We all need to pray that this ministry will again be opened to us.

I have enjoyed being the VBS Director for the Montgomery Baptist Association for the past four years. I really appreciate all those who have helped out in this most worthwhile work for the building of the Lord's Kingdom.

Youth

(Billy Dennis)

Regarding our county's youth, the greatest need I have found in the past is for adult leaders to get involved in the lives of the young people and provide them with leadership - not just information about opportunities.

Many of the youth from our association participated in a choir led by the Rev. Raleigh Todd. The choir performed a "True Love Waits" musical. On January 20th, a large group made up of folks from all across the association gathered at Hamer Creek for a performance. After the wonderful performance, many of the youth present signed "True Love Waits" posters that were displayed in the churches. A copy was forwarded to the state display, and later, to the national display.

In March, a number of churches recognized the youth by having a Youth Sunday. The young people taught Sunday School, sang in the choir, and led in worship.

Super Summer at Paramount's Carowinds was held on July 27th & 28th. Many churches attended, and there were some decisions for Christ made by Montgomery County youth.

It has been a challenging, but rewarding experience working with the youth of the association. I encourage each church to provide opportunities for their youth to mature as disciples of Christ.

Sunday School Report

(Rev. Don Davis)

The Sunday School is a very important aspect of the ministry of the Church. It is through Sunday School that much of our church growth occurs. Sunday School also provides the essential elements to discipleship, mainly, the teaching of the Word of God. Our churches have an incredible opportunity to reach the lost and to minister to the needs of their own fellowship through the Sunday School. Every church is urged to discover the ministries available through Sunday School.

This year has been a challenge for every Sunday School. We have experienced the change in our Sunday School literature and the introduction of the new "Faith Evangelism" through the Sunday School Board. Faith is a very effective outreach program for every church. It puts outreach and ministry back in the Sunday School.

This year there was an Associational Sunday School meeting to discuss the new literature and the benefits of an active Sunday School program. Unfortunately, only five churches were represented at this meeting. Sunday School is too vital for the churches and for the Association for it to be viewed with such laxity. Churches are encouraged to use the vast knowledge that is available through the Montgomery Baptist Association.

Evangelism

(Alex Willoughby)

As I sit here collecting my thoughts, we are in the midst of preparing for another Evangelism Crusade. I sit here in amazement of how God has brought so many lives together to participate in the success of this crusade.

I realize that it is God that can take a life and change it in a moment, but it is God's plan to involve humanity in reaching humanity. God could save everybody at one time, yet He gives you and I the privilege and the opportunity of helping. Without God's power and blessings, this crusade will fail, but also without the help of each person who is part of Montgomery Baptist Association, this crusade will also fail. I say that because each person knows some lost person that God wants to reach, that will not be reached if we do not invite them to come and be a part of the crusade. I will try to do my part in inviting the ones that I can. How about you!

I want to take the time to thank each committee for their involvement in the crusade. Thanks to all the churches for your support in prayers, physical involvement, and finances. A special thanks to Don Smith, from the Home Mission Board, for his willingness to be used of God in the Christian Life & Witness Classes and his time in traveling each week when he did not have to .

MAY GOD RICHLY BLESS AND USE EACH CHURCH TO THE GLORY OF GOD.

ASSOCIATIONAL MUSIC REPORT

(Rev. Raleigh Todd)

In May, your Director of Music for the association had the opportunity to attend this year's key leadership training at Ridgecrest Assembly. Led by Neal Eller, team leader of the Music and Worship Team of our state convention, we explored different styles of worship that are being utilized within the Baptist churches of our state. The three basic styles of worship are: traditional, blended, and contemporary. Music for traditional worship consists of congregational hymn singing and choir anthems ranging from Southern Gospel to "High Church." Blended worship consists of traditional hymn singing with the addi-

tion of "Praise Choruses". Choir anthems for blended worship can range from Southern Gospel to Contemporary. The Contemporary style takes the congregational singing away from hymns and to all Praise Choruses usually with the addition of a Praise Band and Praise Team to lead the congregation. Choir anthems (if used) tend to be very contemporary with a combination of the choir with Praise Team. Churches that are reaching the unchurched in their communities have found that the blended-to-contemporary format work well. Individuals and families who have not grown up in church can relate much better to this style and then have opportunity to grow into a deeper appreciation of the "Great Hymns of Our Faith."

As we prepare for this year's annual meeting, we have just completed what was the highlight of this year's associational music. That was the formation of an associational choir for the Celebrate Jesus 2000 crusade. We had eighty choir members, representing nine churches. Our high attendance for the crusade was on opening night with seventy-one choir members in attendance. Matthew Trick from Concord, NC was our guest soloist for the service. Matthew is a senior at Liberty University with plans to pursue a career in music evangelism. I hope that we will have more opportunities for our associational choir to sing in this coming year.

Time and scheduling did not permit us to have an associational youth choir this year, but I hope that we can once again utilize the talents of the youth within our churches this year.

Any Church choir or individuals that I can assist, please feel free to call on me. As your Associational Music director, I am available to assist in all aspects of music ministry.

Faithfully submitted by:
Rev. Raleigh Todd

Prince of Peace Baptist Mission

(Ernesto Robledo)

Blessed be our Lord for His love and mercy. In October of last year we started our ecclesiastic year by having a church picnic at Morrow Mountain in Albemarle. On October 15th, I performed a wedding ceremony for my nephew and his wife at their house. October 25th, we had baptisms at First Baptist, Biscoe. We have participated in the Hispanic Fellowship of Churches from the Piedmont area.

In November, the men had their building fund project by having a taco sale. For several Saturdays, I had deacon training sessions in preparation for their ordination. On November 20th, we celebrated our ordination service where Israel Medrano and Franklin Sandria were ordained. In December, my wife and I attended a conference on I and II Thessalonians at Wingate University.

On December 19th, my wife presented a Christmas play with the youth. In January, we canceled several of our services due to the snow storm. My family and I attended a pastors' retreat at Caraway. I preached a weekend revival in a new Hispanic work in Sanford. I also attended the Mission Extravaganza at Ridgecrest along with some ladies. My wife and I participated in a conference for couples at Caraway.

During the first part of June and the last part of July, we took our vacation as a family. July 24-28, we had our Vacation Bible School in which we had good results. On the last week of July, we started a prison ministry once a month in Polkton, NC. In August,

SENIOR SAINTS ALIVE!

(Lawrence and Barbara Stewart)

What greater source of manpower is available to the church today? Surely, one of the most versatile is that of Senior Adults. Consider the following:

Today, when much of our population consists of single parent families, many children have an identity crisis. Senior Adults can be the source for meeting their needs. A man can provide a male role model, a source of authority, and the Christian perspective children need in today's world. Additionally, many of these children need the love and companionship that grandparenting affords. Pastor, S.S. Director - look to Senior Adults, a ready source for the children of your church.

Additionally, look about at the hosts of young women; wives, mothers, single women, distressed, depressed, discouraged, and desperate. Do you have an answer to their dilemma? Yes, at your finger tips; a host of senior adults make good mentors. Avail these people of each other. Couple them together with secure, spiritually mature, well-grounded adults who have dealt with life's problems enough to offer sage counsel to both singles and couples. Senior adults are one of the largert, vast resources of today's church.

FURTHERMORE, Senior Adults need to be taken down from the shelf of retirement. They have a great wealth of experience to offer committees, councils, boards, and planning bodies. These people generally know life, as well as the pitfalls previously experienced in generations gone by. This vast ocean of wealth is yours for the asking. Senior Adults' first hand knowledge is a mountain to be claimed by the church. Their opinions, alongside the wisdom of this generation, makes for an unlimited future for the kingdom of God, lead by the Holy Spirit.

Baptist Children's Homes of North Carolina

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything - relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms of quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission...the millennium...the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures...

Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a warm place where others care for her. Linda has discovered that God cares for her, too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace the family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville, a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places a top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual

Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children...healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or speaker for your church, or for information about our services, please call (336) 474-1209.

Baptist Retirement Homes

"A Half-Century of Service"

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes" dream is to make life for North Carolina Older Adults what God intended it to be..."The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community - The Gardens of Taylor Glen a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will

make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

Biblical Recorder Associational Report
June 2000

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.

Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

2000 Annual Report To The Associations

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Fifth Annual Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.

b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.

c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.

d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".

Council on Christian Higher Education 2000

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptist students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues his/her degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby, said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good of people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve

our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

The North Carolina Baptist Foundation, Inc.
1999 Annual Report

The mission of the North Carolina Baptist Foundation since it's inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among the North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the minsitries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling $3.8 million and received $2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian Estate Stewardship, and church fund management. Over $3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money manangers and evaluate performance.

As of December 31, 1999, the Foundation held $93,355,200 under management. This is an increase of more than $12.5 million over 1998. During 1999, $1,864,044 was distributed to individuals and $3,418,543 to Baptist work for a total distribution of $5,282,587. During the 80 year history of The North Carolina Baptist Foundation, Inc., $16,081,204 has been distributed to individuals and $25,723,551 to Baptist churches, institutions and mission causes for a grand historical of $41,804,755.

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastor education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.
- A certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynold's Health Center, which provides health care for underserved people in Forsyth and surrounding counties.

• Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
• Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program For Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence- Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among the Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July 2000 issue of *U.S. News & World Report.* This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

Information and Appointments - For more information and to make an appointment with a physician, contact HEALTH ON-CALL at 1-800-446-2255 or 336-716-2255.

A CLOSING WORD FROM THE PRESIDENT

From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. Most importantly, this care is provided one person at a time in a way that reflects the Spirit of Christ, whose healing ministry forms our very foundation.
